

**Tim McLachlan** has been associated with saddlery all his life. From a boy lending a hand at his Grandfather's saddlery, Tim has now been a qualified saddler for 30 years, and with his wife Maree established TPM Saddles in 2010.

Every TPM Saddle is hand made with Tim's craftsmanship seen in each and every one. Not only does Tim produce some of the finest saddles around, when it comes to Campdrafting, he competes using nothing but TPM Saddles.

When it comes to TPM Saddles, Tim's philosophy is simple...

**"Made by Campdrafters for Campdrafters"**

The success of TPM Saddles has been achieved by

**Quality** - won't be compromised

**Reliability** - product delivered on time

**Value** - best "value for money" saddles on the market

## HUON SMITH SIGNATURE

Designed as the ultimate competition saddle. Has a full seamed padded seat with stitched knee pads. Ean Rice off-set irons and your choice of brass or stainless steel fittings. Available in chocolate, chestnut or a combination of both.

### Optional Extras:

- Sheepskin lining
- Basket stamping

## HUON SMITH DRAFTER

The Huon Smith Drafter has been designed as a competition saddle to put the rider in the correct balanced position. The extra comfort for the rider is provided by the seamed seat. The spring bars are set to allow the rider plenty of freedom to put their feet where they need to be.

### Optional Extras:

- Flank girth rigging
- Sheepskin lining
- Flank girth and billets
- Basket stamping

All saddles come fully mounted, built with spring bars, on a semi quarter horse tree

## TP DRAFTER

The TP Drafter, Tim's personal favourite, with a slick seat gives the rider more feel for their horse as the seat gets them as close as possible to their horse. Although this is a hard seat the shape, depth and extra dish ensures an extremely comfortable ride.

### Optional Extras:

- Flank girth rigging
- Sheepskin lining
- Flank girth and billets
- Basket stamping
- Padded seat
